More destinations and more connections in Hahn Airport's 2024/2025 winter flight schedule

More flights at TRIWO Hahn Airport: 36 attractive destinations are included in the airport's 2024/2025 winter flight schedule, six more than in the same period last year. The number of weekly connections is also increasing, with 15 more flights to a total of 101. The 2024/2025 winter flight schedule comes into effect on Sunday, October 27, 2024.

New to the program is Reggio Calabria, a city in the south of Italy that attracts holidaymakers with its historical heritage and culinary tradition. Those who appreciate the sea can visit the Costa Viola, for example. The reflections make the waves there glow purple at certain times of the day. Hiking enthusiasts will be in their element thanks to the beautiful forests in the Aspromonte National Park. Ryanair offers flights from Hahn to Reggio Calabria every Tuesday and Saturday.

Also new in the winter flight schedule are Ryanair flights to Sofia, which are operated from Hahn on Thursdays, Saturdays and Sundays. The capital of Bulgaria attracts visitors with its historical sights, which invite them to go on extended sightseeing tours - such as the Alexander Nevsky Memorial Church, one of the city's landmarks. If you are interested in Bulgarian wines and would like to taste them, there is a wine city map that lists selected restaurants. Wizz Air also offers flights between Hahn and Sofia.

After five years, Gran Canaria is back in the winter flight schedule at TRIWO Hahn Airport. Every Thursday and Sunday, a Ryanair plane takes off for the popular Spanish island, which is perfect for active vacationers. Whether on one of the numerous beaches, hiking in the mountains or observing the beautiful starry sky at night, holidaymakers can enjoy the unique landscape of the UNESCO biosphere reserve.

Just as attractive and only a few kilometers away: Tenerife. The island, which is popular among tourists, can also be found in TRIWO Hahn Airport's 2024/2025 winter flight schedule. The offer is supplemented by other attractive destinations such as Palma de Mallorca, Thessaloniki, Rome-Fiumicino, London-Stansted and Barcelona - these destinations are also served by Ryanair. Wizz Air also connects Hahn Airport with Skopje, the capital of North Macedonia, and Kutaisi in Georgia, for example. FlyOne takes off for Kishinev (Moldova) and Air Serbia for Niš (Serbia). Holidaymakers can also travel from Hahn Airport to Nador in Morocco with Air Arabia.
